Notes:

- Please note that we can only provide public school information for 2007-2008 - info by public school district is attached.
- Please note that while there are 13 Diocesan Districts, we have combined 2 of them to ensure proper sample size.
- We used 2% as our cost of living increase, but you can use a different number - see the instructions for how to do this
- Beginning Public Salary projections use actual base of 08-09. (The most current listing of ODE salaries.)
