Notes:

- Please note that while there are 13 Diocesan Districts, we have combined 2 of them to ensure proper sample size.
 - Please see the appendix for "CATHOLIC SCHOOL PRINCIPAL SALARY INFORMATION - Including and Excluding religious".
- This describes the effects of religious on our sample. For the purposes of the above information, we have EXCLUDED religious salaries.
- We used 2% as our cost of living increase, but you can use a different number - see the instructions for how to do this
 - Actual average salaries are calculated on information provided by schools to the OCE for 09/10 and reflect consolidations, closures etc.
 - This data sample contains only information provided to the Office of Catholic Education. Some schools choose not to provide salary data.
 - Previous year amounts do not include adjustments for personnel changes within districts.
 - Consolidation and merger activities allow for reductions in average salary from year to year.
