

Dear Elementary School Principals,

We are allocating complimentary classroom teams for any interested Catholic Diocese of Cleveland schools for now through July 31st, 2009. A team needs to be from 15 to 36(max) students. The only expectation is that teachers hand out logins to their students so they can participate. To request your free First in Math Teams, email me with this info:

School:

Building or Team Leader Name:

Email:

Number of teams (groupings of 15-36 of your students):

Principal name:

Principal email:

For schools interested in engaging students in First in Math next Fall, here's the 2009-2010 registration form -

<http://www.firstinmath.com/pdfs/FIM-StudentSubOrder.pdf>

I look forward to working with you to *take your students beyond grade level with First in Math®*. Please let me know when and how I can help.

Tony Morrow
